Teacher's Report to Successor

Give Recommendations as to the Work of Classes or Individual Pupils, Reviews, Promotions, Etc., also needs in Apparatus, Books, Etc.

To my Successor:-

The children have completed, and have had a thorough drill in all the classes in their grades. In the combination classes they are ahead of their grades.

I have been with this school four terms and I feel that I am leaving it in the best shape possible.

I hope that you will enjoy the work as I have enjoyed it, and that when you come to your last day, you may feel the same satisfaction that I do today, in the knowledge that you have given your best.

Yours, with sincere wishes for your success,

E. R. Jardine

### Teacher's Report to Successor

Give Recommendations as to the Work of Classes or Individual Pupils, Reviews, Promotions, Etc., also needs in Apparatus, Books, Etc.

To My Successor: I have worked three hard conscientious years here. I have standardized the school work of each grade so that they are doing the work required in the County Course. They have completed every requirement. In some instances more than required.

I wouldn't have you believe each and every child has the ability to do creditable work in all subjects. However I will insist that each pupil has been given ample opportunity to develop to his full capacity.

The following two children are problem children and I decided to omit this paragraph after starting it. Maybe it will be better for you to discover them without any suggestion from me. See yearly reports. You have

I wish you success - I hope when you have  
 rounded out this year here you can and will  
 know the feeling of a piece of work well - done.  
 regardless of any thing to the contrary.
